DOCUMENTATION

Passports

All Uniworld river cruises/tours require a passport. In most cases, passports must be valid for six (6) months after the scheduled return date from the trip. Travel to China, Egypt, India, Vietnam & Cambodia and Peru will require visas. Each guest is fully responsible for obtaining and carrying the travel documents necessary for his or her travel itinerary, with the exception of Cambodian visas. Uniworld will not be responsible for any delays, damages and/or losses, including missed portions of your trip, related to improper or absent travel documents.

Visa Requirements

Please visit the Uniworld.com “Already Booked” section to view visa requirements for U.S. and Canadian citizens as well as visa service company information. The service company can provide additional information regarding obtaining any required visas.

When using a visa service, it is highly recommended that you provide the service with a copy of your entire travel itinerary. There are times when there may be restrictions to entering one country from another depending on your nationality. If the service does not have your full itinerary, this may result in improperly issued documentation.

All guests are strongly advised to obtain necessary visas well in advance of departure to avoid unnecessary expedited processing charges.

Any visa(s) or other documentation required for an itinerary is solely the responsibility of the guest.

Uniworld will not be responsible for advising and/or obtaining required travel documentation for any passenger, or for any delays, damages and/or losses, including missed portions of your trip, related to improper or absent travel documentation. Due to government-imposed security immigration measures, passport information and emergency contact information are required for all passengers prior to release of documentation.

China: All U.S. and Canadian citizens need a passport and visa for travel to China.

Non-U.S. or non-Canadian citizens must contact the appropriate consular office for entry requirements pertaining to their particular trip.

For the “China, Tibet & the Yangtze” program, only a single-entry China visa is required. Uniworld will be responsible for your permit to enter Tibet. Please provide us with a legible copy of your passport (photo page) and a copy of your China visa no later than 45 days prior to your departure, so that we may obtain the Tibetan Entry Permit for you. Email the copy to AsiaDepartment@Uniworld.com and be sure to include your booking number in the email.

Egypt and India: All U.S. and Canadian citizens need a passport and visa for travel to Egypt and India.

Non-U.S. or non-Canadian citizens must contact the appropriate consular office for entry requirements pertaining to their particular trip.

Peru: All US and Canadian citizens need a passport to enter Peru. No visas are needed. Non-U.S. or non-Canadian citizens must contact the appropriate consular office for entry requirements pertaining to their particular trip.

Vietnam & Cambodia: All US and Canadian citizens need a passport and visas for both Vietnam and Cambodia.

For passengers southbound (Cambodia to Vietnam)

- Cambodian Visa: This will be obtained at the Siem Reap Airport on your own for 35 U.S. dollars (USD) per person.
- Vietnam Visa: This can be obtained either prior to your trip or when arrive in Siem Reap for 100 U.S. (USD) per person.

For passengers northbound (Vietnam to Cambodia)

- Vietnam Visa: This must be obtained prior to your trip.
- Cambodian Visa: Our Cruise/Tour manager will take care of obtaining the visa for a fee of 50 U.S. dollars (USD) per person. Each guest will provide the required documents and payment to the Cruise/Tour manager and he or she will submit all passports to the Cambodian immigration authorities to obtain the visas. This will be done onboard the *Mekong Jewel* prior to entering Cambodia.

Non-U.S. or non-Canadian citizens must contact the appropriate consular office for entry requirements pertaining to their particular trip.

Please note: *The information above reflects the requirements in place at the time of printing. We encourage you to check with the appropriate consular offices prior to departure to ensure you have the proper documentation and the most up-to-date information.*

Passenger Information Form

By now, you should have completed the Uniworld Passenger Information Form. The information on this form is used to comply with certain foreign government and airline security restrictions in advance of your arrival onboard our ships. If you have completed this form, we thank you for your prompt attention. If you have not completed this form, please visit our website at Uniworld.com and complete the online Passenger Information Form in the “Already Booked” section. Each guest must complete the form.

Please note that the name on your airline tickets must match your name exactly as it is shown in your passport. This applies to both international flights as well as domestic flights we will book for you, so please be sure we have your name correct on your booking.

Travel Protection Plan

Uniworld strongly recommends that all guest purchase a Travel Protection Plan. Please carry all policy information with you during the course of your trip.

During the cruise/tour, it is advisable to have copies of important documents (e.g., first page of your passport, photo ID, credit card numbers and bank/credit card company phone numbers) in a separate packet, in case the originals are lost or stolen.

Cruise/Tour Documentation

Uniworld sends all final cruise/tour and air documents between 21 to 30 days prior to your departure, provided that Uniworld has received a completed Passenger Information Form and your booking is paid in full. All documents are sent via a priority mail delivery service, such as UPS or FedEx.

FINAL DOCUMENTATION INCLUDES:

- **Cruise/Tour Ticket**
- **Passenger Ticket Contract**
(which is legally binding between Uniworld and each guest)
- **Airline Tickets or E-Ticket Confirmation**
(if international air ticket was purchased from Uniworld)
- **Cruise/Tour Companion**
- **Baggage Tags**
- **Travel Protection Plan Pamphlet**
(if Uniworld travel protection was purchased)

Luggage Forward

- Eliminate long waits at check-in and baggage claim
- Avoid unpredictable airline baggage fees

To see rates or make a booking, call 1-617-482-1100 or visit LuggageForward.com/Book/Uniworld-River-Cruises.

TRAVEL ESSENTIALS

The following items are essential for any destination: comfortable walking shoes, sunglasses, sunscreen, mosquito repellent, a hat, an umbrella and a lightweight raincoat or outerwear garments appropriate for seasonal weather conditions. It is recommended that you bring duplicates of prescription eyewear, copies of prescriptions for any medication, copies of credit card information and copies of your passport information pages. Make sure that your baggage has identification tags both inside and outside with your contact information and address clearly marked. Do not pack valuables or important medication in your checked baggage unless required to do so by your airline; these should be carried with you in your carry-on baggage. Contact your air carrier for any additional regulations.

Weather

Today, weather forecasts are widely available at the click of a button on the Internet. Uniworld's favorite resource for up-to-the-minute international weather information is Weather.com. This site features a very informative vacation planner tool that you may find useful.

What to Wear

This program is very different from European river programs; attire is more casual due to the region's warmer temperatures. During the cruise/tour portion of your program, comfortable, lightweight clothing in lighter colors is strongly recommended. We suggest clothing that can be layered, such as a mix of cotton shirts, lightweight knit shirts, sweaters, everyday khakis, slacks, skirts/dresses, walking shorts and sun hats.

Prepare for a variety of weather conditions, depending on your travel season and the regions through which you will be cruising. Layering clothing items is always your best bet, as this allows you to adjust to most temperatures, including artificially maintained temperatures, by removing or adding items throughout the day. Mix/match color schemes work best to help keep baggage light.

You will participate in a significant amount of walking over uneven terrain during your time ashore. We recommend comfortable walking shoes with good ankle support. Sturdy sandals are another good option.

Don't forget to pack a lightweight waterproof jacket (preferably hooded) or even a heavy weight wind-breaker for colder temperatures, especially during early spring, fall and winter departures.

PLEASE NOTE: To enter the temples and other holy sites, guests should ensure that their shoulders and knees are covered.

China: For evenings, any resort wear is perfectly suitable. Men may want to bring one sport jacket for the onboard Captain's Farewell Dinner. Women find a cocktail dress or two always comes in handy, no matter the destination.

Egypt: For evenings, we recommend casual and cool attire; however, we require footwear to be worn at all times in the dining room. Sport jackets and cocktail dresses are not needed at any time during this program. You may wish to pack at least one "smart casual" outfit for the onboard Gala Reception.

For those on the Jordan extension, while sleeping quarters will be heated, the winter months can drop below freezing at night. Please pack accordingly for outside weather.

India, Vietnam & Cambodia: For evenings, we recommend casual and cool attire; however, we require footwear to be worn at all times in the dining room. Sport jackets and cocktail dresses are not needed at any time during this program.

Peru: We recommend comfortable walking shoes, quick drying and lightweight clothing, lightweight long pants and rain gear, long-sleeved tops for jungle excursions, wide-brimmed hat, extra socks, and a bathing suit.

HEALTH AND MOBILITY

Moving About the Ship

Because the ship will often be in motion and the decks will sometimes be slippery, you will need to take care when moving about the decks. Please be extra cautious when using the stairs onboard, as they may be steeper than you are used to. It's best to always use the handrails.

Physical Limitations

Uniwold trips are exciting, relatively active vacations. While there will be plenty of time to relax, there will also be much to see and do. Your included excursions generally require an extensive amount of walking, as well as navigating numerous steps, cobblestone streets and uneven ground. During shore excursions, guests with physical limitations will find access to sites

generally restricted. For your safety and enjoyment, we recommend that all guests be in good physical condition. This is particularly important in Tibet and Cusco, where the high altitude may make extensive walking difficult.

In addition, river ships, while spacious and elegant, are not in compliance with the Americans with Disabilities Act, and some do not have elevators. Embarkation/disembarkation facilities may be impossible to navigate with wheelchairs, scooters, walkers or any other mechanical device. The cruise/tour ship is not wheelchair accessible, nor is it designed to accommodate physically challenged travelers.

The use of mobility devices such as wheelchairs, walkers, scooters, etc., is not recommended for travel and such devices cannot be readily obtained in these regions.

Uniworld, at its sole discretion, reserves the right to refuse passage or to require a current passenger to end his or her trip if the passenger's state of health or physical condition may affect his or her own health, safety and enjoyment, or that of other passengers.

Medical

Most of the hotels used will be near a clinic staffed by a doctor, but Uniworld does not employ staff nurses or doctors onboard its ships.* Medical expenses and medical attention are the guests' own responsibility. Guests should bring their medications with them. Uniworld is not responsible for any costs incurred as a result of medical service or for the quality of medical care received. A Travel Protection Plan covering medical expenses is highly recommended.

*Please note that there is a doctor available onboard the ship on China itineraries.

Vaccinations

All guests should direct questions about vaccinations to their personal physician.

As an additional resource, guests may consult the current recommendations of the Centers for Disease Control (CDC). The CDC website is CDC.gov and the phone number is 1-800-232-4636.

You may also contact the consulates of the countries to be visited to determine vaccination requirements.

Special Diets

Please advise us of any special dietary restrictions in advance of your departure. This information will be provided to the proper personnel. To the extent possible, and in consideration of local conditions, every effort will be made to accommodate your needs. It is the guest's responsibility to provide us with as much detail as necessary concerning any medically related dietary concerns. Not all dietary requests can be accommodated, and we appreciate your understanding in this matter. Dietary restrictions should be reiterated to the service staff at the time of placing any order.

GENERAL MONEY MATTERS

Uniworld features a “cashless” environment onboard, and all charges are billed directly to each guest’s onboard account. Currency accepted onboard for settlement of final bills is either in the local currency or U.S. dollars (the total amount will be converted into U.S. dollars based on the onboard exchange rate). Major credit cards accepted are Visa and MasterCard, and these will incur extra bank charges for transactions, which will be your responsibility. Please contact your bank and/or credit card companies to let them know that you will be leaving the country to avoid any problems using your debit and/or credit card(s) overseas.

ATMs: The ships do not have ATMs onboard, but ATMs linked to major bank networks can be found onshore. Most debit and major credit cards can be used for cash withdrawals. Your bank can tell you which network your ATM card can access and whether a debit or credit card must be used. Make sure you have the correct PIN for the card you plan to use before leaving home, as the PIN is required for all money withdrawals. It is also recommended that you bring an overseas contact number for your bank or credit card company in case you require assistance while traveling.

Currency Exchange: Limited currency exchange is available onboard for the exchange of cash only.* Credit cards cannot be accepted for money exchange. Most hotels and major tourist sites have exchange facilities. We recommend that you do not carry bills in large denominations, as many merchants are hesitant to accept them due to counterfeiting.

*Please note that India does not provide onboard currency exchange.

xchange

Local banks can break larger bills into smaller denominations for you.

Credit Cards and Travelers Checks: Most major credit cards (Visa, MasterCard, American Express) are accepted worldwide. There may be some stores or locations where cash is preferred or where a particular credit card cannot be used for purchases. We recommend bringing at least one major credit card, as well as an ATM card that is both a debit and credit card. It is not advisable to bring travelers checks, as it is becoming increasingly difficult to cash them at local banks.

Transaction Fees: Please note currency exchange transactions and ATM cash withdrawals always involve transaction fees. It is always best to inquire as to the fee before exchanging any money. ATMs will typically ask you if you accept the fee before enabling the transaction.

CURRENCY

Cambodia: Currency in Cambodia is the Cambodian riel (KHR), but the USD is widely accepted. ATMs in Cambodia supply both U.S. and Cambodian currencies.

China: Currency in China is the renminbi (RMB), also referred to as the yuan. Each yuan is divided into 10 jiao (which is then subdivided into 10 fēn). The RMB comes in banknote denominations of 1 jiao to 100 yuan and coins have denominations from 1 fēn to 1 yuan.

Egypt: Currency in Egypt is the Egyptian pound (EGP). It is divided into piastres (also spelled piaster). One pound (LE) is equal to 100 piastres. Banknote denominations are 1, 5, 10, 20, 50, 100 and 200, and coins come in denominations of 50 piastres.

India: Currency in India is the rupee (INR). The USD is *not* widely accepted. Foreign currency can be exchanged to INR at the airport and hotels. Please note that crisp, new, unturned bills are recommended for paying in cash and/or exchanging currencies. It is recommended to keep the currency exchange receipt should guests wish to revert the currency before departing India.

Peru: Currency in Peru is the Peruvian sol (PEN). The USD is sometimes accepted. Foreign currency can be exchanged in select locations. Please note that crisp, new, unturned bills are recommended for paying in cash and/or exchanging currencies, as tattered bills are not accepted in Peru.

Vietnam: Currency in Vietnam is the Vietnamese dong (VDN). Please note that ATMs do not supply USD in Vietnam. Be advised: Due to a new regulation by the Monetary Authorities of Vietnam, the ship can no longer receive payment in USD through their credit card terminals onboard their ships. To simplify the new regulation, the ships will display both Vietnamese dong and USD on all onboard charges and guests will have two payment options to choose from:

1. Cash - can pay in USD
2. Credit Card - will be charged in Vietnamese dong

AIR TRAVEL

*Baggage Limitations**

Airline baggage restrictions change frequently, and each guest needs to check with his or her specific air carrier for limitations concerning baggage weight, baggage size, carry-on regulations, and excess or overweight baggage charges. This information can be found on the carrier's website or on Uniworld's website at Uniworld.com/baggage. Remember to check for both international (over the water) and domestic (intracontinental) regulations, as limitations differ depending on flight routings. Overweight or excess baggage charges vary, and guests who exceed an airline's recommended limit may be asked by the airline to pay fees ranging from \$25 to \$80 USD, or possibly more, per infraction.

There are no restrictions concerning the number of bags each person can bring with him or her onboard the ship. However, baggage storage space onboard is limited. Guests are encouraged to limit their baggage to one (1) piece per person for their own comfort and convenience.

Keep an eye on your baggage and all personal belongings—they are solely your responsibility throughout the trip. Uniworld is not responsible for loss, theft, or damaged baggage and personal belongings. A Travel Protection Plan covering lost, stolen or damaged baggage is highly recommended.

Egypt: For flights within Egypt, passengers are allowed one (1) checked bag weighing no more than 50 pounds (23 kg) and one (1) carry-on bag weighing no more than 17 pounds (8 kg).

*Please note that baggage allowance is subject to change. We recommend contacting the airline ahead of your trip to confirm.

China: For intra-China air flights, only one (1) suitcase per person can be checked in, and it must weigh no more than 44 pounds (20 kg). You may be asked by the airline to pay fees of approximately \$1 USD per pound (0.45 kg) in excess of this weight limit. One (1) carry-on is allowed per person.

India: For intra-India flights, only one (1) suitcase per person can be checked, and it must weigh no more than 33 pounds (15 kg). Each checked bag should have dimensions not exceeding 62 linear inches (157 cm). You may be asked by the airline to pay fees of approximately \$5 USD, or more, per pound (0.45 kg) in excess of this weight limit. One (1) carry-on is allowed per person. Your carry-on should not exceed 17" x 14" x 8" (43 cm x 35 cm x 20 cm) and should not weigh more than 15 pounds (7 kg). You should have printed paper copies of flight tickets (with your name and dates of travel), as they will need to be shown as you enter the airport; airport entry will be denied without them.

Peru: For intra-Peru flights, passengers are allowed one checked bag weighing no more than 50 pounds (23 kilograms) and one carry-on bag weighing no more than 17 pounds (8 kilograms). Overweight or excess baggage charges vary, and guests exceeding an airline's recommended limits may be asked to pay fees ranging from \$30 to \$80 US dollars (USD), or possible more, per infraction.

Vietnam & Cambodia: For intra-Vietnam and intra-Asia flights, only one (1) suitcase per person can be checked, and it must weigh no more than 44 pounds (20 kg) total per person (not per bag). Each checked bag should have dimensions not exceeding 62 linear inches (157 cm). You may be asked by the airline to

pay fees of approximately \$5 or more (USD) per pound (0.45 kg) in excess of this weight limit. One (1) carry-on is allowed per person. Your carry-on should not exceed 17" x 14" x 8" (43 cm x 35 cm x 20 cm) and should not weigh more than 15 pounds (7 kg).

Airport Security and Check-In

It is advisable to contact the airline in advance of your departure to verify that there have been no changes to the flight number or schedule found on your travel documents. After your travel documents are issued and sent to you, Uniworld is not responsible for notifying guests of any changes in flight schedules.

Please make sure you arrive at the airport at least two and a half (2.5) hours prior to your scheduled departure to complete check-in and security procedures. For peak travel times, you may want to arrive three (3) hours prior to your scheduled departure time.

Intra-Domestic Air Tickets

Your intra-domestic air tickets will be issued on tour, and your boarding passes will be given to you by your Cruise/Tour Manager or Egyptologist at the airport.

Due to weather, traffic, and scheduling needs, included flights can be scheduled to depart in the morning. Every effort will be made to schedule flights that depart at 8:00 a.m. or later; however, in some cases it may be necessary to book an earlier flight. An early wake-up call may be required for these flights. Your Egyptologist or Tour Manager will provide you with departure instructions for each included flight.

Included flights are part of your cruise/tour base rate and will be economy class for all guests regardless of cabin category for the cruise portion of the itinerary.

TRANSFERS

Airport Arrival Transfers

If your cruise/tour package includes a group arrival transfer (and your flights coincide with our transfer guidelines and have been communicated to Uniworld), or if you have purchased a private arrival transfer from Uniworld, you will be greeted by a Uniworld representative and transferred to the hotel. Guests who have purchased a pre-cruise/tour optional extension will also be met by a Uniworld representative at the airport of the city in which the extension is to take place. You will be met as you exit the secure customs area.*

Please claim all of your baggage before exiting baggage claim. If you do not see any staff, please make your way to the other exit. Staff will only be located at one exit.

Please note that transfers are nonrefundable. Transfers are only provided on the actual start day of the cruise/tour. There may be a waiting period of up to two (2) hours for scheduled airport transfers, depending on groupings of flight arrivals. Uniworld will not be responsible for late arrivals or missed transfers due to delayed, changed, canceled or missed flights; for missed cruise/tour or extension days; or for extra costs resulting from delayed, changed, canceled or missed flights.

Flight information and pre-trip arrangements for all guests making their own flight arrangements must be given to Uniworld no later than 45 days prior to departure in order for transfers to be arranged. Your flight arrangements must also be made in accordance with Uniworld's recommended transfer guidelines. For complete details, please see the "Terms & Conditions" section of our current brochure or on our website, Uniworld.com.

Guests who have purchased an optional pre-cruise/tour extension or extra hotel nights with Uniworld will be provided transfers as part of the extension or

**In Egypt, a Uniworld representative will meet you inside the arrival terminal and will assist you through customs, passport control and luggage collection and will then escort you to your hotel.*

In Jordan, a Uniworld representative will meet you before passport control and will then escort you to your hotel.

In Jerusalem, a Uniworld representative will meet you after passport control at the entrance of baggage claim before customs and will then escort you to your hotel.

In Vietnam & Cambodia, Ho Chi Minh City and Siem Reap meets standard guidelines but Hanoi does not. In Hanoi, a Uniworld representative will meet you after passport control, baggage claim and customs. They will be outside the arrival hall at one of two exit gates. If you do not see any staff, make your way to the other exit.

extra night purchase as long as Uniworld has received their flight information no later than 45 days prior to departure.

If your cruise/tour package does not include transfers (i.e., for flights outside Uniworld's recommended transfer time guidelines or if flight details have not been communicated to Uniworld in time), then please make your way to the ship or hotel as per your itinerary at your own expense.

Airport Departure Transfers

If your cruise/tour package includes a group departure transfer (and your flights coincide with our transfer guidelines and have been communicated to Uniworld), or if you have purchased a private departure transfer from Uniworld, you will be transferred to the airport for your flight home. Transfers are only provided on the actual end day of the cruise/tour. Porterage services at the airport are not included.

In accordance with Uniworld's transfer guidelines, all guests making their own flight arrangements are required to provide Uniworld with their flight information and post-trip arrangements no later than 45 days prior to departure in order to receive transfers. For complete details, please see the "Terms & Conditions" section on our website, Uniworld.com.

Guests who have purchased an optional post-cruise/tour extension or extra nights with Uniworld hotel stays will be provided transfers as part of the extension or extra nights purchase as long as Uniworld has received their flight information no later than 45 days prior to departure.

If your cruise/tour package does not contain transfers (i.e., for flights outside Uniworld's recommended transfer time guidelines or if flight details have not been communicated to Uniworld in time), then please make your way from the ship or hotel as per your trip itinerary at your own expense.

Private Car Transfers

Guests who make independent flight arrangements and arrive outside Uniworld's recommended transfer time guidelines can purchase private car transfers from Uniworld at an additional cost. Private car transfers are only available on the cruise/tour start and end dates.

Please ask your preferred travel professional or Uniworld for details. In some locations, private transfers are not available due to the distance between the airport arrival city and the port of embarkation and disembarkation.

AIR TRAVEL ISSUES

Late Flight Arrivals and Missed Flights

If your package includes a Uniworld arrival transfer and you experience a travel delay of any kind, please adhere to the following instructions.

Advise an airline representative at the airport that you are a cruise/tour passenger bound for a specific location at a specific date and time to meet your group. Depending on the nature of the delay, Uniworld's ground staff can, at times, track flight changes. If your flight arrangements were drastically altered, it is unlikely that the ground staff will be notified of your specific flight changes in time, but Uniworld's representative will follow up on your flight's arrival in order to try to meet you. Due to security protocols enacted after September 11, 2001, airlines very rarely provide updated flight information to third parties in such cases.

If you are still within North America, please contact Uniworld by calling 1-800-733-7820 and advise us of the situation. We will do our best to ensure that you are met and transferred upon your revised arrival.

If you are outside North America when you experience the travel delay, please contact the transfer provider in your arrival city. Their contact information is shown in the transfer section of your Cruise/Tour Ticket.

Upon arrival at the airport of the cruise/tour start city, look for the Uniworld representative in their designated area.* If you cannot find our representative, please contact the transfer provider in your arrival city. Their contact information is shown in the transfer section of your Cruise/Tour Ticket. If unable to match you up with a scheduled group transfer, the transfer provider will ask you to make your way to the ship or hotel at your own expense.** Costs incurred due to missed transfers are the responsibility of the guest; in most cases, compensation can be obtained from your Travel Protection Plan provider or airline carrier.

If your delay is serious enough that you miss the starting point of your cruise/tour, please contact the transfer provider in your arrival city to determine the exact location of your cruise/tour group on your revised date of arrival. Their contact information is shown in the transfer section of your Cruise/Tour Ticket. The office personnel will advise you on the best course of action. Uniworld is not responsible for missed transfers or additional costs due to missed or delayed flights.

If you are unable to reach the transfer provider listed on your Cruise/Tour Ticket, please contact the emergency lines for your destination.

*See page 23 for Airport Arrival Transfers.

**In India, guests should take the green taxis. In Vietnam, guests should take the green and white taxis. These taxis are approved by the Department of Transportation (also called the Ministry of Transport). Keep in mind that drivers may not speak English. If not, guests should write down the name of the hotel clearly and hand the note to the driver. The same policy applies to all Indian cities and Hanoi and Ho Chi Minh City.

Baggage Delays

Baggage delays do unfortunately occur from time to time, especially during peak travel periods. First and foremost, do not leave the baggage area without completing a Lost Baggage Report with your air carrier. This report is essential to the tracking of your claim. If traveling with a companion, we recommend that one (1) person exits the baggage claim area and locates the transfer representative to inform him or her of the situation. This will allow the representative to ensure that transfers are properly provided. Give the air carrier a copy of your travel itinerary and the ship's contact information. Report your lost baggage to the Uniworld representative and provide your Uniworld Cruise/Tour Manager or Egyptologist with a copy of your Lost Baggage Report. This will assist our staff in helping to locate your baggage as quickly as possible. Uniworld is not responsible for loss, theft or damage to baggage and/or personal belongings. A protection plan covering lost, stolen or damaged baggage is available through the Uniworld Travel Protection Plan.

PRE- OR POST-CRUISE/TOUR LAND STAY OR OPTIONAL EXTENSION*

All Uniworld land programs are fully hosted and include daily breakfast, transfers and portage. Most feature at least one (1) special sightseeing program. Your Cruise/Tour Manager or on-site Uniworld representative will host a welcome briefing upon your arrival to familiarize you with the scheduled program and to provide additional information about optional excursions, dining recommendations and shopping tips. Details about your pre- or post-cruise/tour land stay are available on the “Already Booked” section on the Uniworld website.

**Please be advised that during land stays and extensions all guests, including those booked in suites on our ships, will be booked in standard rooms in a 4- to 5-star hotel.*

HOTEL CHECK-IN AND CHECK-OUT

Please note that every effort is made to ensure that your hotel room is available and ready for occupancy upon your arrival at the hotel. This is not always possible due to differences in hotel check-in times and scheduled airport-to-hotel transfers. Most hotels do not allow check-in earlier than 2:00 p.m. If you arrive at the hotel before 2:00 p.m., you may need to wait until the room becomes available. Hotel check-out must be no later than 12:00 p.m.. If your arrival or departure schedule does not coincide with these times, you may ask the hotel to store your baggage while you explore independently.

The *Mekong Jewel* sailing in Vietnam and Cambodia will have a self-service launderette however all other ships do not have a self-service launderette or dry cleaning facilities onboard. Insect Precautions

External doors and gauze windows should be kept closed at all times. At night, if on deck or going ashore, make sure to apply repellent to your ankles and other exposed skin. Mooring and Docking Facilities

Local river authorities allocate docking space based upon ship arrivals and departures in port. Typically, river ships dock facing upstream, against the current. Occasionally, port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to get to their own ship. This is part of the river cruise experience and is perfectly normal and beyond the control of Uniworld. Guests may experience obstructed views from staterooms and suites when the ship is docked. From time to time in Vietnam and India, the ship will anchor in the middle of the river and you will be transferred via sampan to the shore.

Massage

Massage services are available onboard the ship. These services are available for a fee and can be paid for in cash or with a credit card at the time of purchase or at the time you settle any of your onboard charges prior to disembarkation from the ship.

Shopping recommendations can be made by your Cruise/Tour Manager or Egyptologist. Larger stores accept most major credit cards, while market vendors and small stores usually accept the local currency only. It is a good idea to take a small amount of cash in local currency to use for on-the-spot gratuities and to purchase souvenirs or sundries.

Vox

Uniworld is proud to use the Vox portable audio headset system on shore tours, so that you will always be able to hear your Cruise/Tour Manager or Egyptologist's commentary with ease and comfort.

The guest accepts the terms and conditions of the Passenger Ticket Contract when participating in any organized shore excursion/tour that is provided by Uniworld. Participation in some shore excursions or tours may also be subject to an independent operator's own Terms & Conditions.

Hotels do not permit smoking except in specific areas; all guest rooms reserved are nonsmoking. For the comfort of all passengers, smoking is not permitted on sightseeing or transfer vehicles.

Security

In the countries in which we operate, tourists are rarely targets for theft, but caution is encouraged nonetheless. A 24-hour watch is kept on the gangplank in order to control access to the ship, but please keep your deck door locked when it is not in use and at night. All staterooms and suites have a combination-type safe; please use a number you can remember, like the last four digits of your phone number or your date of birth. The company cannot be held liable for loss of money, jewelry or other valuable items from the ship, from a hotel or while on an excursion ashore during a voyage. In the Conditions of Carriage, you are required to have taken out personal travel insurance to cover these possibilities.

Egypt: Ensuring the safety and security of Uniworld guests is our top priority. All tourist sites visited on this itinerary are patrolled around the clock by highly trained policemen, as are all docking facilities along the Nile. In addition, whenever traveling by motorcoach on Uniworld shore excursions, an armed civilian police officer will be onboard to provide extra security and peace of mind for our guests.

Peru: Ensuring the safety and security of Uniworld guests is our top priority. We have armed security onboard at all times, and the tourist police and coast guard patrol the areas we explore daily.

FREQUENTLY ASKED QUESTIONS

I'm concerned about my physical ability. What do I do?

Guests with mobility concerns should discuss their concerns with Uniworld staff in advance of their departure. Guests requiring the use of a mobility device, such as a wheelchair, motorized scooter or walker, may not be able to participate in many shore excursions or use such devices onboard the ships. Also, guests who are limited in their ability to walk long distances may also have difficulties, as there is often uneven terrain on many shore excursions.

How accurate and up-to-date are the shore excursions and tour descriptions?

Uniworld does everything possible to ensure that shore excursions are performed as promoted. In certain circumstances, or for reasons beyond the control of Uniworld, it may not be possible or practical for the excursion to be performed exactly as written. The decision not to operate, to alter the operation, to change content, and/or to otherwise adjust or modify any element of the excursion as advertised is at the sole discretion of Uniworld. We always take into account the safety and best interests of our guests and the overall product delivery. Any such modifications to excursions will not result in eligibility for a refund.

What time will excursions depart?

All onshore excursions are carefully coordinated to the ship's daily schedule. Prior to dinner each evening, your Cruise/Tour Manager, local expert and/or Egyptologist will brief all guests about what activities will take place the next day. This briefing includes information about departure times, specifics about the shore excursions/tours not covered in this booklet, shopping and restaurant recommendations, and other important information about the port of call. In addition to the briefing, a daily program will be distributed to each guest's stateroom or suite every evening.

Can the itinerary change? What if it does?

You can count on the value of Uniworld's vast experience and regional knowledge to make sure you enjoy your cruise/tour even when conditions beyond our control occur. The very nature of a river, with its sources and networks of bridges and locks, means that there will be times when weather or other conditions in a region require Uniworld to make adjustments and modifications to the operation of an itinerary. Itineraries may need to be altered specifically because of water levels. Although every effort is made to keep itineraries as advertised, Uniworld reserves the right to make changes and substitutions as necessary to ensure the safety of our guests and the vessels. Time permitting, every possible effort will be made to alert guests in advance of boarding of any known changes. Otherwise, all guests will be informed onboard of amendments. Any changes to itineraries, including the addition of extensive motorcoach touring to affect delivery of the intended itinerary operation, will not result in eligibility for a refund.

Does each motorcoach or walking group have its own English-speaking tour guide?

Yes. Each motorcoach or walking group has its own English-speaking local expert. Uniworld tries very hard to ensure that our guides are of the highest quality and well-versed in their subjects to make sure that you have the best possible time ashore.

What is the transportation like on excursions?

Uniworld works with some of the world's best tour companies, all of which are chosen with our standards in mind. To ensure your maximum enjoyment of each excursion, all motorcoaches seat 40-50 people and are air-conditioned whenever possible. We also feature 29- to 45-seaters in regions such as Vietnam, Cambodia and India. Rest stops will be provided throughout the course of the excursions and most of the motorcoaches will have onboard toilets. There are a few destinations where the equipment may not be of a similar standard and, in such cases, the best possible transportation will be arranged. This may come in the form of sampans, skiffs, tuk-tuks and other modes of transportation specific to the region.

Is smoking allowed on shore excursions/tours?

Smoking is not allowed while on the motorcoach, and many historical venues now request that visitors not smoke anywhere on-site. We ask all our guests who smoke not to do so while on excursions/tours.

In India, smoking in public places is a punishable offense and is likely to be met with a monetary penalty.
