DOCUMENTATION

PASSPORTS

All Uniworld river cruises require a passport. In most cases, passports must be valid for six (6) months after the scheduled return date from the trip. Each guest is fully responsible for obtaining and carrying the travel documents necessary for his or her travel itinerary. Uniworld will not be responsible for any delays, damages and/or losses, including missed portions of your trip, related to improper or absent travel documents.

VISA REQUIREMENTS

Non-U.S. or non-Canadian citizens must contact each consulate of the country or countries to be visited for specific requirements. Information for U.S. citizens and Canadian citizens can also be found at Uniworld.com in the "Already Booked" section. Some countries have the option to purchase a visa on arrival at a low cost, however we recommend obtaining all required documents in advance whenever possible.

Whenever using a visa service, it is highly recommended that you provide the service with a copy of your entire travel itinerary. There are times when multiple-entry visas may be required, or when there may be restrictions to entering one country from another depending on your nationality. If the service does not have your full itinerary, this may result in improperly issued documentation.

PASSENGER INFORMATION FORM

By now, you should have completed the Uniworld Passenger Information Form. The information on this form is used to comply with certain foreign government and airline security restrictions in advance of your arrival onboard our ships. If you have completed this form, we thank you for your prompt attention. If you have not

completed this form, please visit our website at Uniworld.com and complete the online Passenger Information Form in the “Already Booked” section. Each guest must complete the form.

TRAVEL PROTECTION PLAN

We strongly encourage you to purchase travel protection when traveling with Uniworld. Should you choose to travel on Uniworld without travel insurance coverage you will need to acknowledge your agreement to take full responsibility for all expenses (trip interruption, trip delay, medical expenses, quarantine expenses and emergency evacuation/repatriation) that may arise while traveling with Uniworld.

During the cruise/tour, it is advisable to have copies of important documents (e.g., first page of your passport, photo ID, credit card numbers and bank/credit card company phone numbers) in a separate packet, in case the originals are lost or stolen.

CRUISE/TOUR DOCUMENTATION

Uniworld sends all final cruise/tour and air documents between 21 and 30 days prior to your departure, provided that Uniworld has received a completed Passenger Information Form and your booking is paid in full. All documents are sent only via e-docs.

Final documentation includes:

- **Welcome Letter**
- **Cruise/Tour Ticket**
- **Passenger Ticket Contract**
(includes Passenger Ticket Contract that is legally binding between Uniworld and each guest)
- **Airline Tickets or E-Ticket Confirmation**
(if international air ticket was purchased from Uniworld)
- **Schedule at a Glance Document**
- **Travel Protection Plan Pamphlet**
(if Uniworld travel protection was purchased)

DIGITAL MEDIA PLATFORM*

Enjoy free digital access to popular newspapers and magazines during your cruise. Once onboard, connect to the ship's complimentary Wi-Fi from your device to access our digital media platform, containing a wide selection of international newspapers and magazines.

**Not available on S.S. São Gabriel.*

TRAVEL ESSENTIALS

The following items are essential for any destination: comfortable walking shoes, sunglasses, sunscreen, a hat, an umbrella and a lightweight raincoat or outerwear garment appropriate for the seasonal weather conditions. It is recommended that you bring duplicates of prescription eyewear, copies of prescriptions for any medication, copies of credit card information and copies of your passport information pages. Make sure that your baggage has identification tags both inside and outside with your contact information and address clearly marked. Do not pack valuables or important medication in your checked baggage unless required to do so by your airline; these should be carried with your carry-on baggage. Contact your air carrier for any additional regulations.

INTERNATIONAL DATA

We strongly recommend that you ensure you have an international plan for your mobile phone so you are able to make/receive calls and get directions should the need arise. Additionally, should there be any last minute changes to embarkation, we will attempt to reach out to you via phone call or email.

WEATHER

Today, weather forecasts are widely available at the click of a button on the Internet. Uniworld's favorite resource for up-to-the-minute international weather information is Weather.com. This site features a very informative vacation planner tool that you may find useful.

WHAT TO WEAR

Prepare for a variety of weather conditions, depending on your travel season and the regions through which you will be cruising. Layering clothing items is always your best bet, as this allows you to adjust to most temperatures, including artificially maintained temperatures, by adding or removing items throughout the day.

Pack a lightweight waterproof jacket (preferably hooded) or even a heavier-weight windbreaker for colder temperatures.

Comfortable, sporty, smart-casual daywear is fine both onshore and onboard. Everyday slacks, khakis, walking shorts and everyday skirts/dresses are recommended. For warmer temperatures, we suggest lightweight clothing that can be layered. For early spring and late fall departures, you'll find heavier cotton or wool tops and long-sleeved shirts, and pants perfectly suitable. You will participate in a significant amount of walking over uneven terrain during your time ashore. We recommend comfortable walking shoes with good ankle support. Sturdy sandals are another good option.

For evenings, any resort-type wear is perfectly suitable; however, we do ask that you not wear shorts to dinner. Men may want to bring one sport jacket for dressier restaurant venues and for special events onboard such as the Captain's Welcome and Farewell festivities. Women may wish to bring a cocktail dress or two for finer dining or entertainment experiences.

1970s PARTY

Join the crew and your fellow guests onboard one night during your cruise for a 1970s party! Come as you are or pack your grooviest attire, then get ready to dance the night away to your favorite 1970s hits.

HEALTH AND MOBILITY

PHYSICAL LIMITATIONS

Uniworld trips are exciting, relatively active vacations. While there will be plenty of time to relax, there will also be much to see and do. Your included excursions generally require an extensive amount of walking, as well as navigating numerous steps and cobblestone streets. During shore excursions, guests with physical limitations may have difficulty accessing all sites.

In addition, river ships, while spacious and elegant, are not in compliance with the Americans with Disabilities Act, and some do not have elevators. Uniworld, at its sole discretion, reserves the right to refuse passage or to require a current passenger to end his or her trip if the passenger's state of health or physical condition may affect his or her own health, safety and enjoyment, or that of other passengers.

Use of mobility devices such as wheelchairs, walkers, scooters, etc., for tours or onboard use must be approved in advance. Additionally, guests who need assistance should travel with a companion who can assist them with any needs. Our onboard team and local staff are not able to offer services such as pushing or carrying wheelchairs.

MEDICAL

Uniworld does not employ staff nurses or doctors onboard its ships, nor can the onboard gift shop carry medications that are sold over the counter in the U.S. and other countries (most European nations allow the sale of medications by licensed pharmacies only). Should you require medical attention, you will need to obtain it at local facilities at your own expense. Uniworld is not responsible for any costs incurred as a result of medical service or for the quality

of medical care received. A Travel Protection Plan covering medical expenses is highly recommended.

Uniworld has no control over the government regulations that govern money matters on and off the ship. Your understanding and adherence to these regulations are appreciated.

SPECIAL DIETS

Please advise us of any special dietary restrictions in advance of your departure. This information will be provided to the proper personnel. To the extent possible, and in consideration of local conditions, every effort will be made to accommodate your needs. It is the guest's responsibility to provide us with as much detail as necessary concerning any medically related dietary concerns. Not all dietary requests can be accommodated, and we appreciate your understanding in this matter. Dietary restrictions should be reiterated to the service staff at the time of placing any order.

VACCINATIONS

All guests should direct questions about vaccinations to their personal physician. Guests may also consult the current recommendations of the Centers for Disease Control (CDC). The CDC website is [CDC.gov](https://www.cdc.gov) and the phone number is 800-232-4636.

You may also contact the consulates of the countries to be visited to determine vaccination requirements.

GENERAL MONEY MATTERS

Uniworld features a “cashless” environment onboard, and all charges are billed directly to each guest’s onboard account. Currency accepted onboard for settlement of final bills is either in the local currency or U.S. dollars (the total amount will be converted into U.S. dollars based on the onboard exchange rate). The major credit cards accepted are Visa and MasterCard, and these will incur extra bank charges for transactions, which will be your responsibility. Please contact your bank and/or credit card companies to let them know that you will be leaving the country to avoid any problems using your debit and/or credit card(s) overseas.

ATMs: The ships do not have ATMs onboard, but ATMs linked to major bank networks can be found onshore. Most debit and major credit cards can be used for cash withdrawals. Your bank can tell you which network your ATM card can access and whether a debit or credit card must be used. Make sure you have the correct PIN for the card you plan to use before leaving home, as the PIN is required for all money withdrawals. It is also recommended that you bring an overseas contact number for your bank or credit card company in case you require assistance while traveling.

Currency Exchange: Limited currency exchange is available onboard for the exchange of cash only (US dollars and euros).^{*} Credit cards cannot be accepted for money exchange. All hotels and major tourist sites have exchange facilities. We recommend that you do not carry bills in large denominations, as many merchants are hesitant to accept them due to counterfeiting. Local banks can break larger bills into smaller denominations for you.

Credit Cards: Most major credit cards (Visa, MasterCard, American Express) are accepted worldwide. There may be some stores or locations where cash is preferred or where a particular credit card cannot be used for purchases. It is recommended to bring at least one major credit card, as well as an ATM card that is both a debit and credit card. It is not advisable to bring travelers checks.

Transaction Fees: Please note currency exchange transactions and ATM cash withdrawals always involve transaction fees. It is always best to inquire as to the fee before exchanging any money. ATMs will typically ask you if you accept the fee before enabling the transaction.

^{*}There is no currency exchange available onboard S.S. São Gabriel in Portugal.

CURRENCY

Austria, Belgium, Croatia, France, Germany, Italy, Luxembourg, The Netherlands, Portugal, Slovakia and Spain: The currency

in much of Europe is the euro. The euro comes in banknote denominations of 5, 10, 20, 50, 100, 200 and 500. One euro is divided into 100 cents, and coin denominations are 1, 2, 5, 10, 20 and 50 cents, or 1 euro and 2 euros.

Bulgaria: Currency in Bulgaria is the lev. The lev is tied to the euro at a fixed rate of 1 = lev 1.955. Notes are in denominations of 1, 2, 5, 10, 20, 50 and 100 levs. With the exception of some larger establishments in Sofia, credit and debit cards are not universally accepted and cash remains the preferred currency. However, ATMs are becoming increasingly popular where Visa and MasterCard can be used to withdraw cash. Money can also be exchanged in bureaux de change and banks. Lev notes dated back to 1997 and earlier are now out of circulation, but unscrupulous money changers may offer these as well as advertise misleading exchange rates, so it is advisable to only use official outlets.

Czech Republic: Currency in the Czech Republic is the koruna. Notes come in denominations of 20, 50, 100, 200, 500, 1,000, 2,000 and 5,000 korunas. Bureaux de change are available nationwide, and money can be exchanged in banks, at road border crossing points and by authorized dealers. ATMs are widespread throughout the Czech Republic, and most major international credit and debit cards are accepted.

Hungary: Hungarian currency is the forint, which comes in banknote denominations of 200, 500, 1,000, 2,000, 5,000, 10,000 and 20,000 forints. Hotels, banks and bureaux de change can all be used for currency exchanges, along with some restaurants, airports, railway stations and travel agencies. All currency exchange receipts should be retained in case they need to

be presented to officials. ATMs are available in most towns, and the vast majority of international credit cards are accepted in larger establishments.

Romania: Currency in Romania is the leu. Notes come in denominations of 1, 5, 10, 50, 100 and 500 leu. Currency can be exchanged at banks and at authorized dealers, as well as in many shops, hotels and restaurants. All receipts should be kept in case they are required by customs or other officials. ATMs are becoming more popular, though they are not widespread. Credit and debit cards may be accepted in larger hotels and restaurants, though their use is not widespread.

Serbia: Currency in Serbia is the Serbian dinar. Notes come in denominations of 10, 20, 50, 100, 200, 1,000 and 5,000 Serbian dinars. Currency can be exchanged at bureaux de change and in exchange machines in Belgrade. ATMs are available, though few accept international credit and debit cards. Credit and debit cards may be accepted in larger hotels and restaurants, though acceptance is not widespread.

Switzerland: Currency in Switzerland is the Swiss franc. The Swiss franc is available in banknotes that bear the value of 10, 20, 50, 100, 200, 500 or 1,000 francs. International currencies can be exchanged at banks and foreign exchange dealers while on tour in Switzerland. You will need to show your passport as proof of identity for foreign exchange transactions. All popular credit cards, such as Visa, MasterCard and American Express, are accepted widely in shops, airports, railway stations and other payment centers across Switzerland.

AIR TRAVEL

BAGGAGE LIMITATIONS*

Airline baggage restrictions change frequently, and each guest needs to check with his or her specific air carrier for limitations concerning baggage weight, baggage size, carry-on regulations, and excess or overweight baggage charges.

This information can be found on the carrier's website.

Remember to check for both international (over the water) and domestic (intracontinental) regulations, as limitations differ depending on flight routings.

Onboard the ship and motorcoaches, storage space is very limited. Therefore, for your comfort and convenience on the cruise/tour as well as on pre- or post-cruise/tour land stays or optional extensions we ask that you bring one (1) suitcase per person and one (1) carry-on bag per person (excluding purses). Please note that there may be a fee assessed on-site for excess baggage.

Keep an eye on your baggage and all personal belongings—they are solely your responsibility throughout the trip. Uniworld is not responsible for loss, theft or damage to baggage and personal belongings. A Travel Protection Plan covering lost, stolen or damaged baggage is highly recommended

LUGGAGE TAGS

All of your baggage must have luggage tags attached containing your first & last name, address, and mobile phone number.

**Baggage allowance is subject to change. We recommend contacting the airline ahead of your trip to confirm.*

AIRPORT SECURITY AND CHECK-IN

It is advisable to contact the airline in advance of your departure to verify that there have been no changes to the flight number or schedule found on your travel documents. After your travel documents are issued and sent to you, Uniworld is not responsible for notifying guests of any changes in flight schedules.

Please make sure you arrive at the airport at least two and a half (2.5) hours prior to your scheduled departure to complete check-in and security procedures. For peak travel times, you may want to arrive three (3) hours prior to your scheduled departure time.

TRANSFERS

AIRPORT ARRIVAL AND DEPARTURE TRANSFERS

If your cruise/tour package includes Uniworld air, and your flights meet our recommended transfer guidelines, a group arrival and departure transfer will be provided. Private transfers are available at an extra cost. When you arrive, you will meet your Uniworld representative at the designated location on your Cruise/Tour Ticket. Transfers are only provided on the start or end date of the Uniworld cruise/tour package. Porterage services at the airport are not included with Uniworld transfers.

There may be a waiting period between transfers of two hours or more unless private car transfers have been purchased. Uniworld will not be responsible for late arrivals or missed transfers due to delayed, changed, canceled or missed flights; for missed cruise/tour extension days; or for extra costs resulting from aforementioned circumstances.

Guests who have purchased an optional pre- or post-cruise/ tour extension or extra nights with Uniworld hotel stays will be provided transfers as part of the extension or extra nights purchase, as long as Uniworld has received their flight information no later than 45 days prior to departure.

For all guests making their own flight arrangements, flight information must be given to Uniworld no later than 45 days prior to departure in order for transfers to be arranged. Your flight arrangements must also be made in accordance with Uniworld's transfer guidelines. For complete details, visit Uniworld.com/Transfers.

If your cruise/tour package does not include transfers (i.e., for flights outside Uniworld's recommended transfer time guidelines or if flight details have not been communicated to Uniworld in time), then please make your way to the ship or hotel as per your itinerary at your own expense.

PRIVATE CAR TRANSFERS

Private car transfers are available on day of embarkation and disembarkation to/from the airport to your Uniworld hotel or ship. For complete details, visit [Uniworld.com/Transfers](https://www.uniworld.com/transfers).

Please ask your preferred Travel Advisor or Uniworld for details. In some locations, private transfers are not available due to the distance between the airport arrival city and the port of embarkation and disembarkation.

GUESTS WITH INDEPENDENT ARRANGEMENTS

For guests who are making their own way to the ship and who are not using Uniworld's transfer options, we strongly suggest that you call the ship to determine its exact location before proceeding to the dock. The ship's telephone number will be shown on your Cruise/Tour Ticket. Docking assignments for river cruise/tour vessels can change at the last minute. To find port location details for your Uniworld cruise, visit [Uniworld.com/Port-Locations](https://www.uniworld.com/port-locations).

AIR TRAVEL ISSUES

LATE FLIGHT ARRIVALS AND MISSED FLIGHTS

If your package includes a Uniworld arrival transfer and you experience a travel delay of any kind, please follow the guidelines below.

Upon clearing customs, look for the Uniworld representative at the designated location on your Cruise/Tour Ticket. If you cannot find the Uniworld representative, please contact the transfer provider or our European Guest Services team using the phone number in the Transfers section of your Cruise Ticket. If unable to match you up with a scheduled group transfer, the transfer provider will ask you to make your way to the ship or hotel at your own expense. Costs incurred due to missed transfers are the responsibility of the guest, and in most cases, compensation can be obtained from your Travel Protection Plan provider or airline carrier.

If your delay is serious enough that you miss the starting point of your cruise, you will need to get to the next stop on the ship's itinerary at your own expense. Using the ship's phone number shown on your Cruise/Tour Ticket, please contact the ship for its exact location on your revised date of arrival. The ship's personnel will advise you on the best course of action. Uniworld is not responsible for missed transfers or additional costs incurred in getting to the next destination due to missed or delayed flights.

BAGGAGE DELAYS

Baggage delays do unfortunately occur from time to time, especially during peak travel periods. First and foremost, do not leave the baggage area without completing a Lost Baggage Report with your air carrier. This report is essential to the tracking of your claim. If traveling with a companion, we recommend that one (1) person exit the baggage claim area and locate the transfer representative to inform him or her of the situation. This will allow the representative to ensure that transfers are properly provided. Give the air carrier a copy of your travel itinerary and the ship's contact information. Report your lost baggage to the Uniworld representative and provide your Uniworld Cruise/Tour Manager with a copy of your Lost Baggage Report. This will assist our staff in helping to locate your baggage as quickly as possible. Uniworld is not responsible for loss, theft or damage to baggage and/or personal belongings. A protection plan covering lost, stolen or damaged baggage is available through the Uniworld Travel Protection Plan.

PRE- OR POST-CRUISE/TOUR LAND STAY OR OPTIONAL EXTENSION

All Uniworld land programs are fully hosted and include daily breakfast, transfers and portage. Most feature at least one (1) special sightseeing program. Your Cruise/Tour Manager or on-site Uniworld representative will host a welcome briefing upon your arrival to familiarize you with the scheduled program and to provide additional information about optional excursions, dining recommendations and shopping tips. Details about your pre- or post-cruise/tour land stay are available on the "Already Booked" section on the Uniworld website.

Please be advised that during land stays and extensions all guests, including those booked in suites on our ships, will be booked in standard rooms in a 4- to 5-star hotel.

ARRIVALS AND DEPARTURES

EMBARKATION

Guests are to embark no later than two (2) hours prior to the scheduled sailing time.

On embarkation day, the ship is being cleaned and prepared for your arrival. Most of the ship's facilities, including your stateroom or suite, will not be available before 3 pm. We appreciate your understanding and cooperation. Should you arrive at the ship earlier than 3 pm, you may leave your baggage at the Front Desk and take a walk in the area or relax in the lounge. Please keep your hand baggage with you at all times. Complimentary coffee, water and light snacks will be available for your enjoyment.

DISEMBARKATION

About two (2) evenings before your departure from the ship, your Cruise/Tour Manager will brief all guests about what to expect on the morning of disembarkation and what time to have baggage available for pickup, and will distribute any documentation necessary to make your departure as smooth as possible.

All guests must vacate their staterooms and suites no later than 8 am the day of disembarkation so the staff and crew can prepare for the next group of guests. Breakfast hours are coordinated around airport transfer times, which, in some cases, can be very early in the morning. It is not unusual in some destinations to have airport transfers as early as 4 am. In such cases, we will provide guests with coffee, tea, juices and pastries from our 24-hour coffee station.

HOTEL CHECK-IN & CHECKOUT

Please note that hotel check-in and check-out times will apply regardless of your flight schedule or transfer time. Most hotels do not allow check-in earlier than 2 pm. Hotel checkout time is typically no later than 12 pm. If your arrival or departure schedule does not coincide with the hotel's check-in/checkout times, you may ask the hotel to store your baggage while you explore independently.

ONBOARD AMENITIES

DINING

Your ship's main onboard restaurant provides a relaxed environment and accommodates all guests for breakfast, lunch and dinner, offering both local and international cuisine. Additionally, specialties of the chef and regional dishes will be featured during dinner.

All beverages are included during your cruise (premium wines and spirits, local beers, coffee, tea and more). This excludes our Diamond Menu of specialty wines and spirits, available for an additional cost.

In addition, select ships offer special dining options, such as *al fresco* dining and progressive dining. *Al fresco* dining is available on the Sun Deck on scheduled nights, weather permitting. Reservations for special dining options are necessary as space is limited and can only be made onboard the ship.

All mealtimes are scheduled around tour departures, and breakfast can take place very early in the morning.

Please notify Uniworld immediately if you have any special dietary concerns or considerations that need to be taken into account while traveling with us. We will do our best to ensure that your request is accommodated, but we cannot guarantee that every request can be met in all cases.

COMPLIMENTARY BEVERAGE PROGRAM

Complimentary beverages onboard include wine, beer, spirits, specialty coffee and tea, soft drinks and mineral water.

Note: Amenities and deck plans may differ per itinerary. Please refer to Uniworld.com for full details.

HEALTH AND HYGIENE

As part of our commitment to a clean, safe and healthy onboard environment, Uniworld practices a strict sanitization protocol on our ships. To assist us in this important matter, we kindly ask all guests to frequently wash their hands and consistently use the hand-sanitizer machines when entering the ship and the restaurant. The machines are located just inside the main entrance of the ship and at the entrance of the restaurant.

INTERNET ACCESS

You may use your own laptop computer to access our wireless Internet service (Wi-Fi). Complimentary Wi-Fi is available throughout the ship and is generally best in the main lounge.

Internet connection might not be available in remote areas or when transiting locks. Expect the connectivity speed to be slower than your home connection and not suitable for services requiring a high bandwidth, such as Skype. Internet hotspots for those are available to rent. Please check in with the Front Desk for more information.

LAUNDRY

A launderette containing a self-service washing machine, dryer and iron is available for your use. There are no dry-cleaning facilities. The ship also provides washing, drying and ironing services for a fee.

ICE MACHINE

For your convenience, on most ships a self-service ice machine is available. Please ask the bartender for an ice bucket when required.

SAFETY DEPOSIT BOX

Each stateroom and suite onboard and hotel room onshore comes equipped with a safe. We urge you to leave valuables at home. We are not responsible for any valuables left in your stateroom or suite. Any charge to return "lost and found" property onboard will be at the owner's expense. Please beware of pickpockets when ashore.

MAIL

Stamps are available for purchase at the Front Desk. Mail is posted daily unless local mail facilities are not available. Uniworld is not responsible for mail that is not properly delivered to the addressee by the postal service.

PHONE INFORMATION

When placing calls with mobile devices while overseas, it is necessary to enter your country's international access code prior to entering the phone number for the ship, hotel or transfer contact. For example, guests in the U.S. and Canada will dial 011, followed by the phone number listed on the Cruise/Tour Ticket.

WATER

The ship has been outfitted with a sophisticated filtration system, and the tap water in each stateroom and suite is safe for drinking. In addition, drinking water is provided in your stateroom or suite for your comfort. Also, for your convenience, we've provided two reusable, eco-friendly water bottles in each stateroom and suite that may be refilled and carried along on your shore excursions. The bottles are yours to keep as a souvenir of your voyage.

Note: Amenities and deck plans may differ per itinerary. Please refer to Uniworld.com for full details.

ONBOARD FACILITIES

SUN DECK ACCESS

For safety reasons, access to the Sun Deck may be limited or restricted while passing through locks, areas with low bridges, and during inclement weather.

FITNESS CENTER

The Fitness Center is open 24 hours a day. Use of the fitness equipment is at your own risk.

FRONT DESK

The Front Desk operates 24 hours a day. The Night Receptionist will make hourly safety checks of the ship.

GIFT SHOP

There is a gift shop onboard with a limited selection of toiletries, souvenirs and other sundries. All purchases are charged to your shipboard account. The hours of operation are adjusted to each day's program.

No over-the-counter medications are available, in accordance with international laws.

LOUNGE AND COFFEE STATION

The onboard lounge provides spectacular, expansive views at every turn. Relax in the comfort of soft chairs and sofas upholstered in fine fabrics and leathers. Plus, you can enjoy our full-service bar.

Complimentary coffees and teas are available at each ship's coffee station 24 hours a day. The lounge also serves specialty coffees and finely brewed teas on order.

ELEVATORS

The following ships are equipped with an elevator that services all decks except the Sun Deck. A chair lift is available to aid in accessing the Sun Deck:

<i>S.S. Antoinette</i>	<i>S.S. Joie de Vivre</i>
<i>S.S. Beatrice</i>	<i>S.S. Maria Theresa</i>
<i>S.S. Bon Voyage</i>	<i>S.S. São Gabriel</i>
<i>S.S. Catherine</i>	<i>S.S. Victoria River Queen</i>

The following ships are equipped with an elevator that services all decks except the Sun Deck:

S.S. La Venezia
River Duchess
River Princess

MOORING AND DOCKING FACILITIES

Local river authorities allocate docking space based upon ship arrivals and departures in port. Typically, river ships dock facing upstream, against the current. Occasionally, port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to get to their own ship. This is part of the river cruise/tour experience and is perfectly normal and beyond the control of Uniworld. Guests may experience obstructed views from staterooms and suites when the ship is docked.

SPA TREATMENTS AND MASSAGE*

Spa treatments and massage services are available onboard the ship. These services are available for a fee and can be paid

for at the time you settle any of your onboard charges prior to disembarkation from the ship.

STATEROOMS AND SUITES

Every riverview stateroom and suite is lavishly appointed with handcrafted Savoir® Beds of England, luxurious 100% Egyptian cotton sheets and European duvets. Staterooms and suites also include an individual thermostat for air-conditioning and/or heat, a flat-screen TV, an internal telephone, a safety deposit box, a bathroom stocked with Asprey* bath and body products, a luxurious bathrobe for each guest, complimentary bottled water, a hair dryer and an umbrella. Electrical current is 220V, the European standard; however, each stateroom and suite has one 110V outlet. The majority of staterooms have hotel beds that can be positioned separately or together. Non-allergenic bedding is available upon request. Your stateroom or suite will be serviced by your Stateroom/Suite Housekeeper on a daily basis. Security and maintenance checks may also be performed. Your ship features butler service in the suites.

SUSTAINABILITY

At Uniworld, we're passionate about giving back to the planet we so love to explore, which is why we've made a number of sustainable choices onboard our cruises, with a careful eye towards luxury improvements. We use full-size toiletry containers in our bathrooms, gift reusable water bottles to guests for use on excursions, and instituted new food waste reduction technology in our kitchens. These are just a few of the changes we've made to enhance your experience with quality products while also protecting our environment, supporting our goal to reach Net Zero carbon emissions by 2050!

ONSHORE EXPERIENCE

EXCURSIONS

Each cruise/tour program includes comprehensive shore excursions led by a local English-speaking expert; these excursions have been designed to provide you with the best possible experience ashore.

A complete day-by-day shore excursion itinerary is available online. Details for your particular itinerary can also be found at Uniworld.com.

LET'S GO EXCURSIONS

On most ships, complimentary bicycles and Nordic walking sticks are available for your onshore enjoyment. Bicycle and walking paths are easily accessible from some of the ports of call. Your Cruise/Tour Manager can offer recommendations. The number of bicycles and Nordic walking sticks available is limited, and they can only be reserved through the Front Desk 24 hours in advance of the time you wish to use them (or on the day of, if available). Their use is solely at your own risk; all guests must sign a release form prior to using bicycles or Nordic walking sticks.

GRATUITIES

Gratuities for onboard staff and crew are included during the cruise. For onshore personnel, we recommend a €2 per person per day gratuity for guides and €1 per person per day for drivers.

SHOPPING

Time for shopping is allowed for within the framework of most sightseeing programs. Actual time available for shopping may be limited due to tour constraints. Keep in mind that many shops in Europe may be closed on Sundays and holidays. Shopping recommendations can be made by your Cruise/Tour Manager and shipboard staff. Larger stores accept most major credit cards. Market vendors and small stores usually only accept local currency. It is a good idea to take a small amount of cash for on-the-spot gratuities or to purchase souvenirs or sundries.

QUIETVOX

Uniworld is proud to use Quietvox portable audio headset systems on shore excursions and tours, so that you will always be able to hear your local expert's commentary with ease and comfort. Connection to the local expert's transmitter takes about 40 seconds, so if you do not hear the local expert straight away, please be patient. The Quietvox system can be used with hearing aids that are compatible with a telecoil induction loop. All you need to do is to replace the regular Quietvox earpiece with the telecoil. We have a limited number of telecoil induction loops onboard available to loan, so please inquire with the Cruise/Tour Manager once you are on the ship.

FREQUENTLY ASKED QUESTIONS

I'm concerned about my physical ability. What do I do?

Guests with mobility concerns should discuss their concerns with Uniworld staff in advance of their departure. Guests requiring the use of a mobility device, such as a wheelchair, motorized scooter or walker, may not be able to participate in many shore excursions or use such devices onboard the ships. Also, guests who are limited in their ability to walk long distances may also have difficulties, as there is often uneven terrain on many shore excursions.

How accurate and up-to-date are the shore excursions and tour descriptions?

Uniworld does everything possible to ensure that shore excursions are performed as promoted. In certain circumstances, or for reasons beyond the control of Uniworld, it may not be possible or practical for the excursion to be performed exactly as written. The decision not to operate, to alter the operation, to change content, and/or to otherwise adjust or modify any element of the excursion as advertised is at the sole discretion of Uniworld.

We always take into account the safety and best interests of our guests and the overall product delivery. Any such modifications to excursions will not result in eligibility for a refund.

What time will excursions depart?

All shore excursions are carefully coordinated to the ship's daily schedule. Prior to dinner each evening, your Cruise Manager will brief all guests about what activities will take place the next day. This briefing includes information about departure times, specifics about the shore excursions/tours not covered in this booklet, shopping and restaurant recommendations, and other important information about the port of call. A daily program available digitally on the screen in the lobby and to access via TVs in the staterooms. This program provides an overview of all events taking place the next day—whether onboard or ashore.

Can the itinerary change? What if it does?

You can count on the value of Uniworld's vast experience and regional knowledge to make sure you enjoy your cruise/tour even when conditions beyond our control occur. The very nature of a river, with its sources and networks of bridges and locks, means that there will be times when weather or other conditions in a region require Uniworld to make adjustments and modifications to the operation of an itinerary. Itineraries may need to be altered specifically because of water levels. Although every effort is made to keep itineraries as advertised, Uniworld reserves the right to make changes and substitutions as necessary to ensure the safety of our guests and the vessels. Time permitting, every possible effort will be made to alert guests in advance of boarding of any known changes. Otherwise, all guests will be informed onboard of amendments. Any changes to itineraries, including the addition of extensive motorcoach touring to affect delivery of the intended itinerary operation, will not result in eligibility for a refund.

Does each motorcoach or walking group have its own English-speaking tour guide?

Yes. Each motorcoach or walking group has its own English-speaking local expert. Uniworld tries very hard to ensure that our guides are of the highest quality and well-versed in their subjects to make sure that you have the best possible time ashore.

What is the transportation like on excursions?

Uniworld works with some of the world's best tour companies, all of which are chosen with our exacting standards in mind. To ensure your maximum enjoyment of each excursion, all motorcoaches seat 40 to 45 people and are air-conditioned whenever possible. There are a few destinations where the equipment may not be of a similar standard and, in such cases, the best possible transportation will be arranged. Rest stops will be provided throughout the course of the excursions, and most of the motorcoaches used for excursions will have onboard toilets.

Is smoking allowed on shore excursions/tours?

Smoking is not allowed while on the motorcoach, and many historical venues request that visitors not smoke anywhere on-site. We ask all our guests who smoke not to do so while on excursions/tours.

You deserve the best.
